## THE CHRISTIAN CONSTITUTIONALISTS ALLIANCE OF NATIONS.

### We the people, For the people

We are a union/political group founded by the people,  
dedicated to upholding Christian values and the constitution of England and Wales.  
Join us in shaping an historic era of love and true prosperity worthy of the  
great people both past and  
present of our independant nation lands.

Our manifesto reflects Christian values, alongside the  
English Constitution as the legal rule of law.

Our goal is to gain  
freedom from the elite British one world order rule by reigniting  
Christianity and upholding the English Constitution.
